Club Logistics:

Supporting the integrity of your wine is our primary concern. The cost of the wine is separate from the charge to ship, insure, and handle your wine. It is subject to change and is not the responsibility of Frazier Winery.

We are not responsible for missed delivery attempts, incorrect addresses, out of date addresses, re-routes of wine shipments, re-shipments, call tags, or returns. All of these require an additional charge. Therefore we strongly encourage you to provide us with the most up to date shipping, billing, and contact information.

Lastly, we make every attempt to ship wine to you in months when the weather is not a factor. However there are times when Mother Nature abruptly changes course. We work closely with our logistics partners to ensure your wine reaches you in optimal condition. As such we may modify your shipping from Ground to 2 Day Air without notice.

Pickups:

Those wishing to pick up their wine club shipments may do so with-in 30 days of a club shipment during normal business hours. Pick ups must be articulated to Frazier Winery at the time of club sign up. Those who fail to pick up club shipments with-in 30 days will have the wine shipped to them and the cost of shipping will be charged to the credit card on file. Furthermore, you must communicate with the winery 24 hrs in advance to schedule a pick up of the wine.

The Fine Print:

We are a small family owned and operated winery and do our best to bring our wines to you at fair prices. Customers who cancel out of the wine club prior to receiving 3 shipments will be responsible for reimbursing Frazier Winery for discounts received against orders placed as a club member. Meaning you will be responsible to reimburse Frazier for any wine you have purchased and received a discount on outside of the club, if you choose to end your membership before receiving your first three club shipments.

The wine club is set up to annually renew your membership. You may cancel your membership at any time by letting us know in writing. Should you choose to cancel your membership before a club shipment we will make every attempt to ensure you do not receive the upcoming shipment but please be advised that we do charge up to 4 weeks in advance. If a club shipment has been shipped prior to communication from you via written cancellation you will be responsible to pay for that final shipment.

We strive to bring you the best, most innovative all around wine and service. In this attempt, terms and conditions of the wine club are subject to change without notice. We welcome your feedback!
