

FRAZIER FAMILY ESTATE

Frazier In-Home Wine Dinners

Would you like Bill Frazier to come to your home to host a private wine dinner for you and all of your friends? Now you can! Here's how it works:

- You commit to a minimum purchase of 10 cases of Frazier Wines.
- In the event that your guests purchase 10 cases or more of Frazier Wines at the dinner you only pay for the wine consumed that evening (typically, $\frac{3}{4}$ bottle per person).
- If your guests purchase 20 cases or more everyone receives 15% off of their purchase. (Note: this does NOT include magnum or large format purchases).
- Bill pays for his travel expenses, lodging and appearance at your event.
- Bill will give a presentation about Frazier Winery and the wines and mingle with your guests during your event. This is meant to not only be a fun but educational event for you and your friends! How many opportunities do you have to host a winery owner in your very own home?

The possibilities are endless!

There are so many possible formats for your special wine event!

- Formal Wine Dinner
- Pizza Party
- Tapas Party
- Corporate Event
- It's up to you!

Logistics

To secure Bill for a private wine dinner here is what we need from you:

- A credit card to pay for the purchase and shipping for the wines which will be served at the event (calculated at $\frac{3}{4}$ bottles per person, guest count confirmed 2 weeks prior to event).
- A credit card to pay for 10 cases of wine in the event that your guests do not purchase 10 cases. *We encourage you to invite friends who love to purchase and consume high quality, boutique wines as you will then not need to fulfill this obligation!
- A signed contract securing your date and commitment to host Bill at your wine dinner. In the event that the event is cancelled you will still be responsible for 50% of the event cost or a 5 case purchase of wine unless the event is rescheduled within 90 days of the original date.
